CITY COUNCIL HIRES COOLEY LAW FIRM TO FIND A SOLUTION TO AIRPORT NOISE

On Wednesday, March 20th, the Naples City Council voted in favor of hiring the Cooley Law Firm, an aviation litigation and consulting firm, to provide counsel on noise abatement measures generated by the Naples Airport. At this meeting, our Association implored the Council to vote against this directive, as we believe it is a colossal waste of taxpayers'... [Read More Here](#)

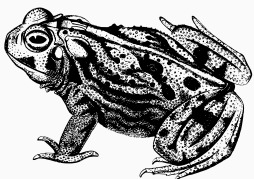

CITY COUNCIL CONSIDERS LAND USE AND ZONING CHANGES - MEETING APRIL 17TH

The City Council is considering changes to the land use and zoning regulations related to lot coverage, buildable area, setbacks and impervious spaces (such as pools, patios, and outdoor living) throughout the City of Naples in an effort to preserve small town charm. There is... [Read More Here](#)

CITY PROJECTS, INITIATIVES, AND CITY-WIDE COMMERCIAL DEVELOPMENTS

Read about important city-wide initiatives and commercial developments, including the Naples Beach Hotel, NCH Heart Institute, Beach Restoration, Old Naples Hotel, Lantern Lane Gutters, and more... [Read More Here](#)

INVASIVE CANE TOADS IN PORT ROYAL

Cane Toads (aka Bufo Toads) emit a bufotoxin from their shoulder glands that can be potentially deadly to dogs and outdoor cats. They are invasive to SWFL and can do considerable damage to our wildlife. To help our community, the Association has contracted with Treks ... [Read More Here](#)
